Little League Guidelines Regarding Pool Players:

1) Division Directors will create and run the pool for their respective divisions. Division Directors will use the pool to assign players to teams that are short of players on a rotating basis.
2) Managers and/or coaches will not have the right to randomly pick and choose players from the pool.
3) Players used from the pool will not be allowed to pitch, except during the player's own regular season scheduled game.
4) Pool players that are called and show up at the game site must play at least nine consecutive defensive outs and bat once.

Procedure for Assigning Pool Players:

1) Players will be added to the Pool in the order their applications are received.
2) As the Division Director is notified of a shortage of players for an upcoming game, pool players will be contacted by the Division Director on a rotating basis.
3) If a pool player is asked to participate in a game and is unable to do so on that date, that player will be bypassed and the next available pool player will be invited to participate.
